REQUEST FOR CORRECTION OF INVENTORSHIP

Dear Sir:

In accordance with 37 CFR §1.48(a), the Applicants respectfully submit this Request for Correction of Inventorship for the patent application identified above.

STATEMENT

The Applicants submit that the patent application identified above did not correctly name the inventors in the filing of the initial utility patent application. The Applicants submit that this error was made without deceptive intent.

The error was made without deceptive intent by the Assignees' attorneys in Taipei, Taiwan, who incorrectly identified the Assignees as the inventors in their instruction letter to the attorneys of record. On January 21, 2002, the attorneys of record were notified by the Taiwan attorneys of the inventorship error.

The correct inventors for the patent application identified above are: Ming-Huang LAN; Chang-Chou LAN; Chung-Liang LAN and Chung-Min LAN. The inventors have signed the enclosed statement affirming that each is an inventor for the patent application identified above.

Please delete Li-Yu WU as an inventor. Ms. Wu has signed the enclosed statement affirming that she is not an inventor for the patent application identified above.

This Request to Correct Inventorship is accompanied by a check in the amount of \$130 in accordance with the fees set in 37 CFR §1.17(i).

The Applicants respectfully request the Commissioner to grant this Request for Correction of Inventorship for the patent application identified above.

Respectfully submitted,

Mark E. Andrews

STATEMENT BY INVENTORS

RECEIVED
MAR 13 2002
TC 1700

Dear Sir:

The patent application referenced above was filed on December 14, 2001, naming the inventor applicants identified above. The applicants' names were provided by the Taiwan representative for the applicants. After filing of the U.S. patent application identified above, the Taiwan representative realized a mistake in the naming of the inventors and notified the U.S. attorneys of record of the error, namely, identifying the assignees as the inventor applicants.

The true and complete inventors for the patent application identified above are Ming-Huang LAN, Chang-Chou LAN, Chung-Liang LAN and Chung-Min LAN, as evidenced by their signatures below.

Li-Yu WU is not an inventor for the patent application identified above, as evidenced by her signature below.

The inventors and assignees submit that the error in inventorship was made without deception intent on their part, and that as soon as the error was identified, an immediate effort to correct the inventorship was undertaken.

The Applicants respectfully request the Commissioner to grant this Request for Correction of Inventorship for the patent application identified above.

SIGNED:

YES, I am an inventor for the patent application identified above as U.S. Serial No. 10/023,362.
